## Ministry of Transport

### Directorate General of Civil Aviation

#### Authorisation

Reference: TN-A /OM-B 01/25

*Pursuant to, The Minister of Transport decision n° 154 issued on 17th September 2009 and n°166 (in particular the section 2.6) issued on the 8th of October 2009, the General Director of Civil Aviation hereby authorises:*

#### ATITECH S.P.A.

Base Principale (Main Base NAP)

Pal. Atitech - Aeroporto civile Capodichino - 80144 NAPOLI- Italy

Approved maintenance organisation (ref: IT.145.0026) to provide base maintenance and release to service for the Tunisian register's aircraft operated by Express Air Cargo at Napoli airport, subject to the following conditions:

1. The present authorization is limited to the scope of work specified in the approved maintenance organisation exposition and in relation with the contract signed between ATITECH S.P.A. and Express Air Cargo and exclusively at Napoli airport.
2. All Maintenance work should be done in accordance with the Part 145 approved maintenance organisation exposition and based on the Manufacturer's Manuals of the Aircraft Type.
3. ATITECH S.P.A. shall report immediately to Tunisian CAA any unsafe condition identified on the Tunisian aircraft during maintenance.
4. Subject to compliance with the foregoing conditions, the present authorisation is valid for one year starting the issue date unless previously superseded, suspended or revoked or until the contract signed between ATITECH S.P.A. and Express Air Cargo is terminated.
